

Keeping our communities
safe and reassured

Secure your van

Staffordshire Police is urging van drivers to take simple crime prevention measures to deter would-be thieves from stealing your vehicle or items from it.

Remove all items from view, including tools and work equipment.

Remember to shut all windows and the sun roof.

Ensure your vehicle is securely locked and that alarms or immobilisers are switched on.

Consider fitting a specialist door lock for use on the rear or off side sliding door adding further security to your van.

Register your property for free at www.immobilise.com. You can register serial numbers, upload photos and even record items as stolen.

Please remain vigilant and report any suspicious activity immediately on 101.

If you see a crime in progress, always dial 999.
