

Children's Poster Competition for Speed Awareness Campaign

The village Speedwatch group needs some more posters to remind drivers that driving too fast through our village is dangerous and that they should keep their speed to 30 miles per hour or less.

The posters should be in colour, be on an A4 sized piece of plain paper and portrait. Please put your name, age and address on the back of the poster and send it to Helen Howie, Parish Clerk, 216 Grindley Lane, Blythe Bridge, ST11 9JS by Wednesday 22nd October 2014.

The posters chosen to be displayed by the judging panel will be enlarged and re-printed on plastic boards. There will be a W H Smith voucher prize for the best three posters.
