

2015 Elections

The General, Stafford Borough and Hilderstone Parish Elections will take place on **Thursday 7th May 2015 between 7am and 10pm.**

Hilderstone Village Hall will again be used as a polling station.

Registration for Voting

Please remember that in order to vote in the General, Borough and Parish elections you **must** be on the electoral register. All households in Hilderstone should have recently received a letter listing the people living at that address who **are** on the electoral register. If any member of your household over 18 years old is **not** on this list and would like to vote, there is still time to register. The deadline for registering is **Monday 20th April 2015.**

This can be done on line at www.gov.uk/register-to-vote. You will need to provide your national insurance number and date of birth. If you are not sure whether you are on the register, you can check with the Elections Office at Stafford Borough Council by telephoning 01785 619424 or email: elections@staffordbc.gov.uk. If you have recently moved into Hilderstone you may well not be on the electoral register.
