

On Saturday 2nd August it is planned to hold a sing song with live music of some of the WW1 songs. Refreshments will be available to lubricate the throats (tea, coffee, squash and some cakes to keep up our strength) and some authentic children's games for the younger members of our community will be organised to take place outside at the same time. It is proposed that this will take place between 2-4pm and all words to the songs will be provided on song sheets.

Dressing in period clothes is an option for those who wish to do so.

There will be a small charge for admission and refreshments, proceeds to be divided between Hilderstone Church and the village hall funds

If you are interested in helping with this event (Thanks already go to Robert Hancock, Hilderstone Church organist, who will play for us and Lisa Norwood who has offered to organise the children's games) please contact Audrey Stringer on a.stringer247@btinternet.com or 07973 790655

To commemorate all those who served and gave their lives in WW1, there is to be a special service at Christ Church, Hilderstone on Sunday 3rd August 2014 at 11.15 am. We are collating information and memorabilia of the soldiers from Hilderstone who were in this war and these will be on display during that weekend.
